47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

In the true spirit of competition, I strongly urge you to allow independent ISPs access to phone lines owned by AT&T and other national carriers. From personal experience I can tell you that I, and others in my small town have benefited from this, since the price I pay for both home phone and DSL internet access has dropped by over 30%, when I switched to an independent ISP.
